

Fact sheet

1H 2025

ACTIVITIES OF THE GROUP

The Auto Partner S.A. Group is one of the largest importers and distributors of car parts for light commercial vehicles, vans and motorcycles in Poland. The Auto Partner Group operates as a sales platform providing mainly electronic sales, and a logistics platform managing just-in-time deliveries of spare parts to geographically dispersed customers, mainly repair shops and automotive retailers.

The Auto Partner Group sells on the Polish market and for export, which in the 1H 2025 accounted for almost 51% of total revenue.

Recognising the growing importance of repair shops, the Auto Partner Group has developed a wide range of solutions supporting this market segment, including a strategic programme that aims at creating a chain of several hundred repair shops in Poland under the **MaXserwis** brand, which currently comprises over 560 independent repair shops.

SALES IN 2019-2024

LOGISTICS FACILITIES

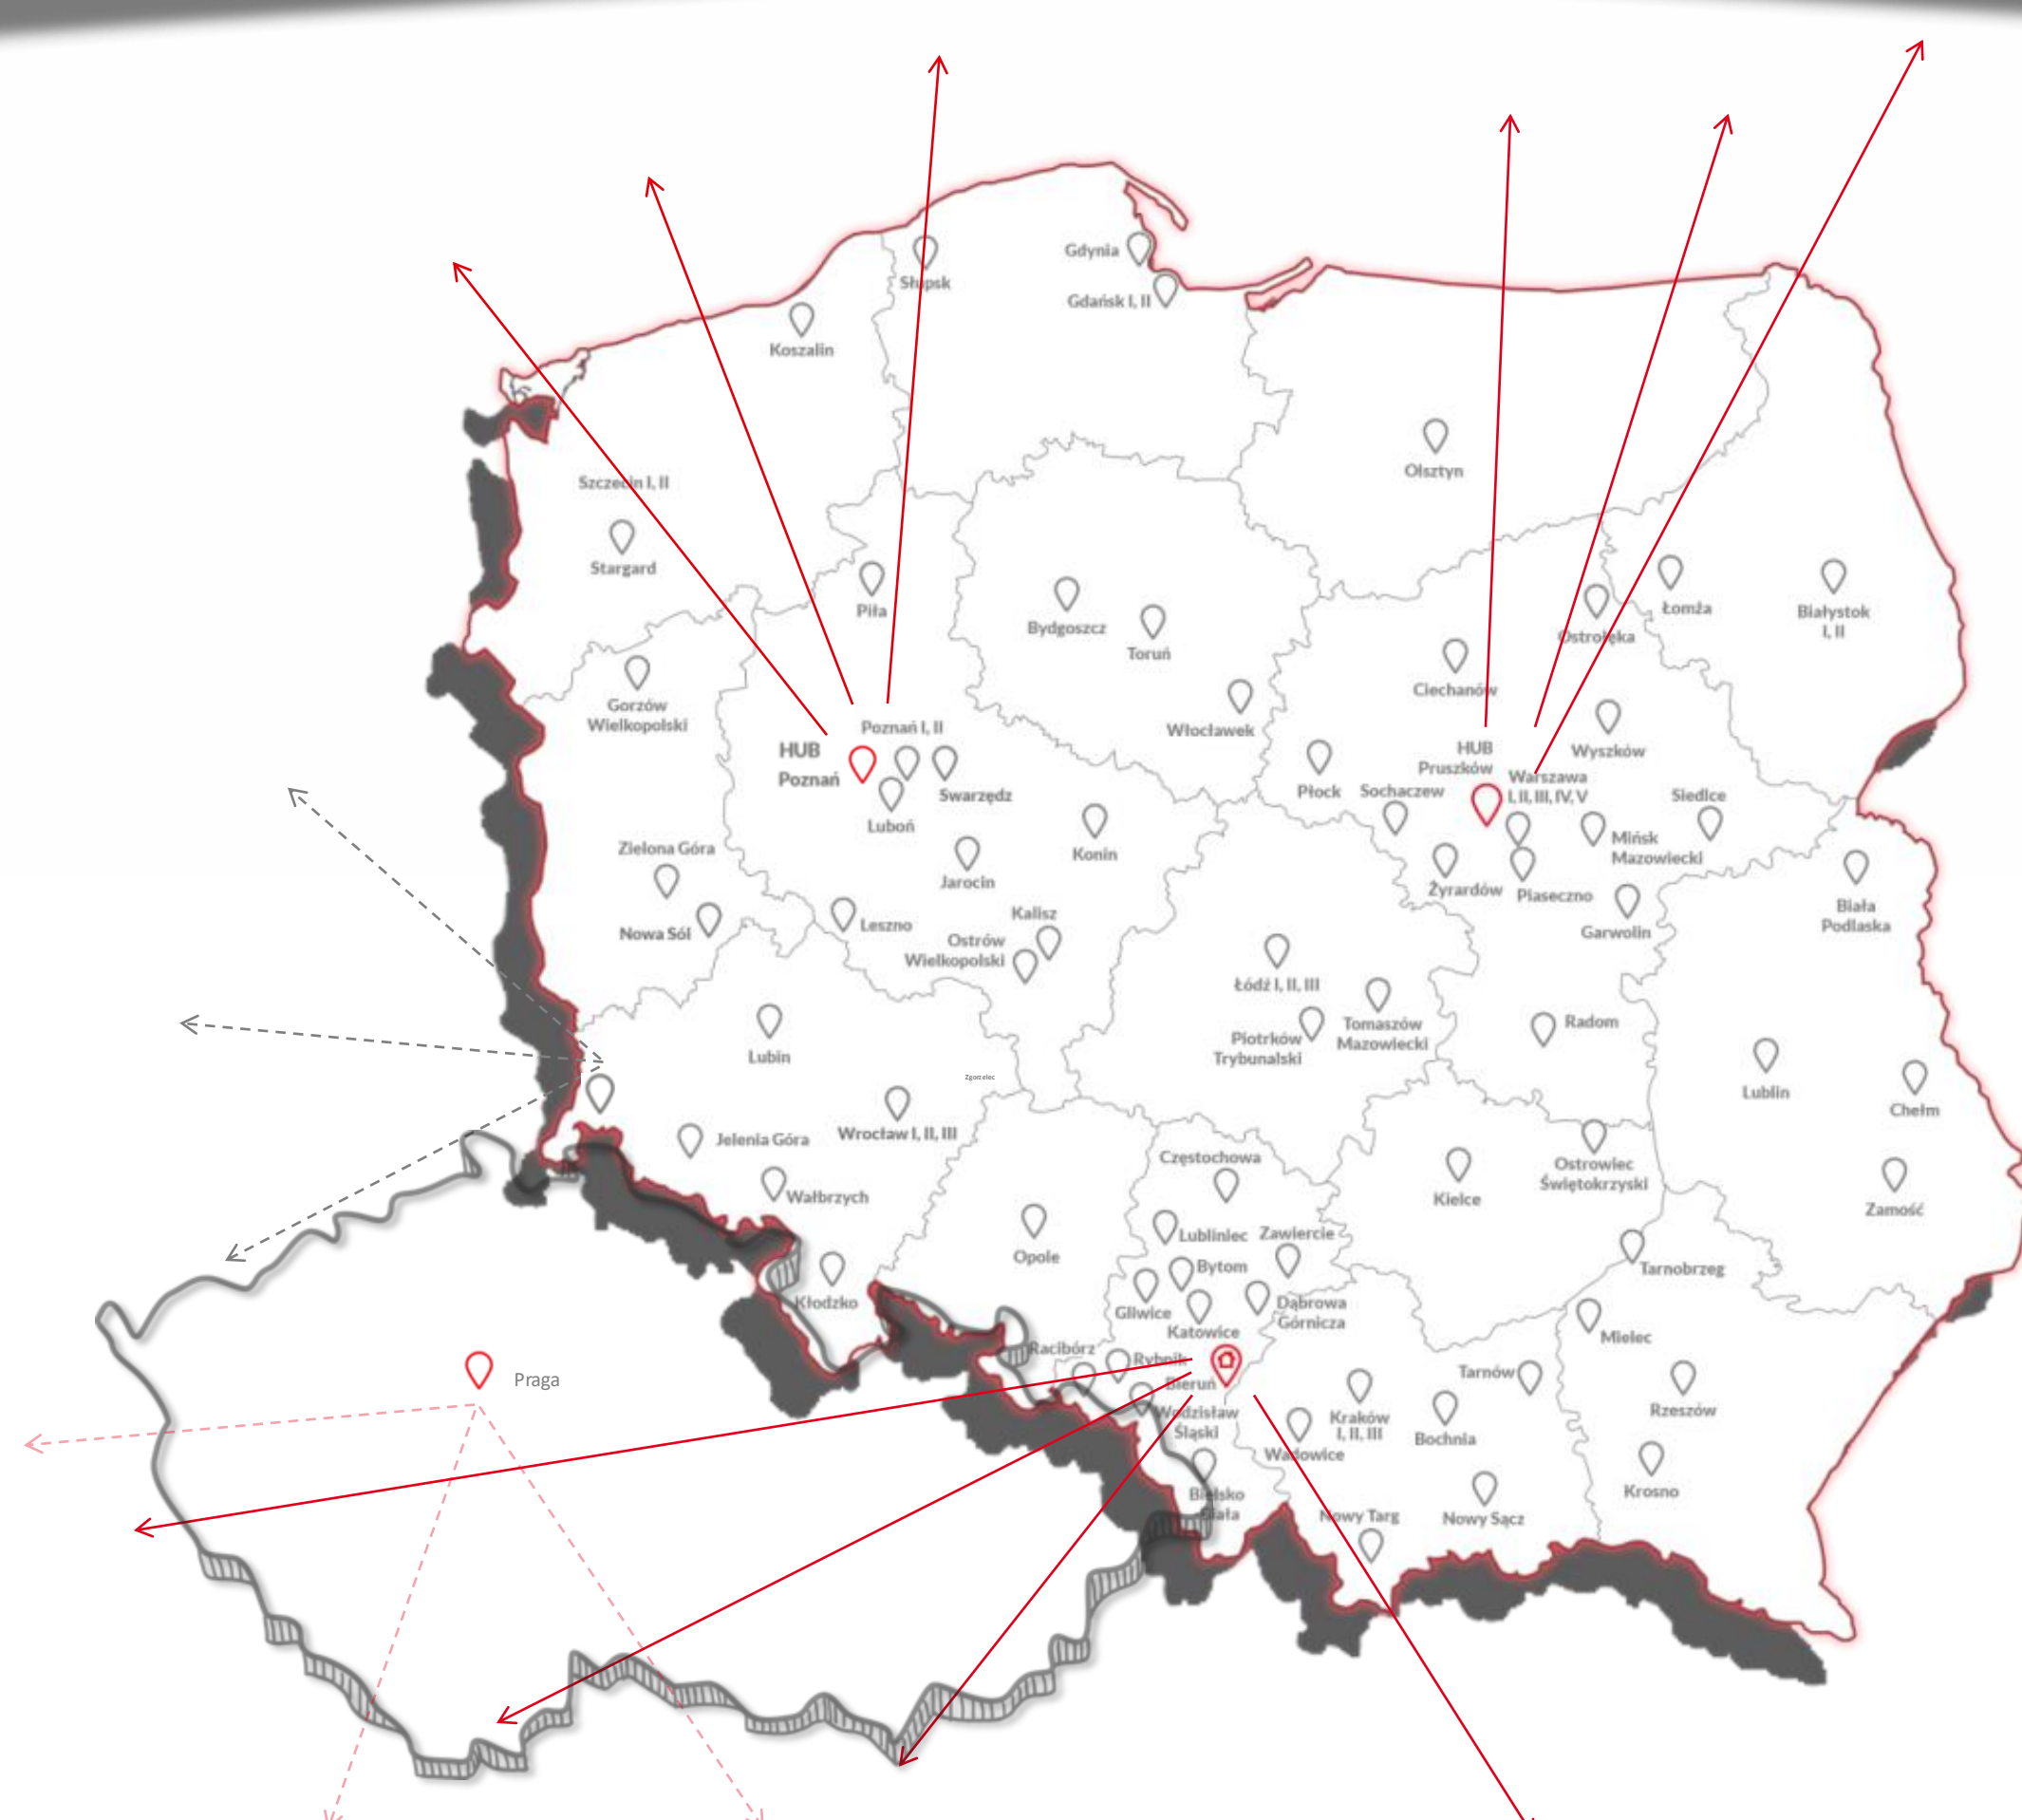

Auto Partner is supported by integrated IT tools managing the whole supply network and logistic infrastructure (total warehouse space of the Group about **160,00** m²), consisting of:

- modern logistics and distribution centre in Bieruń with an area of about **52,000** m², logistics and distribution centre in Pruszków with an area of about **12,500** m², and hub in Poznań of about **13,500** m²
- warehouse in Mysłowice – about **24,000** m²
- chain of **117** branch offices with additional warehouse space of about **57,000** m²
- local warehouse in two branches in Prague (Czech Republic) – **1,200** m²
- distribution network enabling deliveries directly to customers **2-8** times a day

Planned opening of a new distribution centre in Zgorzelec slated for late 2025 or early 2026 with an area of **30,000** m²

Signing in August 2025 of a warehouse lease in Germany for a space of **4,500** m²

THE GROUP'S SALES NETWORK

OVER 30 MARKETS OF THE GROUP'S OPERATIONS

STRATEGIC GOALS OF THE GROUP

- Further increase in the scale of operations
- Further product diversification
- Further increase in profitability
- Expansion of sales on foreign markets

PRODUCT PORTFOLIO

The Auto Partner Group cooperates with over 350 suppliers of aftermarket spare parts and global OEM distributors. The group's product portfolio consists of over 280,000 references, which translates into over 8.5 million spare parts in the central warehouse and 15.5 million in all branch offices across Poland. The group is the only distributor in Poland of NK, ALCO, Quaro RYMEC, ROOKS, Triscan, Unior, Stabilus and Bovez products, which it offers in all assortment groups. Auto Partner also has its own brand, including maXgear, offering products from 80 assortment groups. Auto Partner belongs to the international purchasing group GlobalOne, made up of leading international players on the aftermarket.
