

Fact sheet

1Q 2026

ACTIVITIES OF THE GROUP

The Auto Partner S.A. Group is one of the largest importers and distributors of car parts for light commercial vehicles, vans and motorcycles in Poland. The Auto Partner Group operates as a sales platform providing mainly electronic sales, and a logistics platform managing just-in-time deliveries of spare parts to geographically dispersed customers, mainly repair shops and automotive retailers.

The Auto Partner Group sells on the Polish market and for export, which in the end of March 2026 accounted for almost 53% of total revenue.

Recognising the growing importance of repair shops, the Auto Partner Group has developed a wide range of solutions supporting this market segment, including a strategic programme that aims at creating a chain of several hundred repair shops in Poland under the **MaXserwis** brand, which currently comprises over 560 independent repair shops.

SALES IN 2020-2025

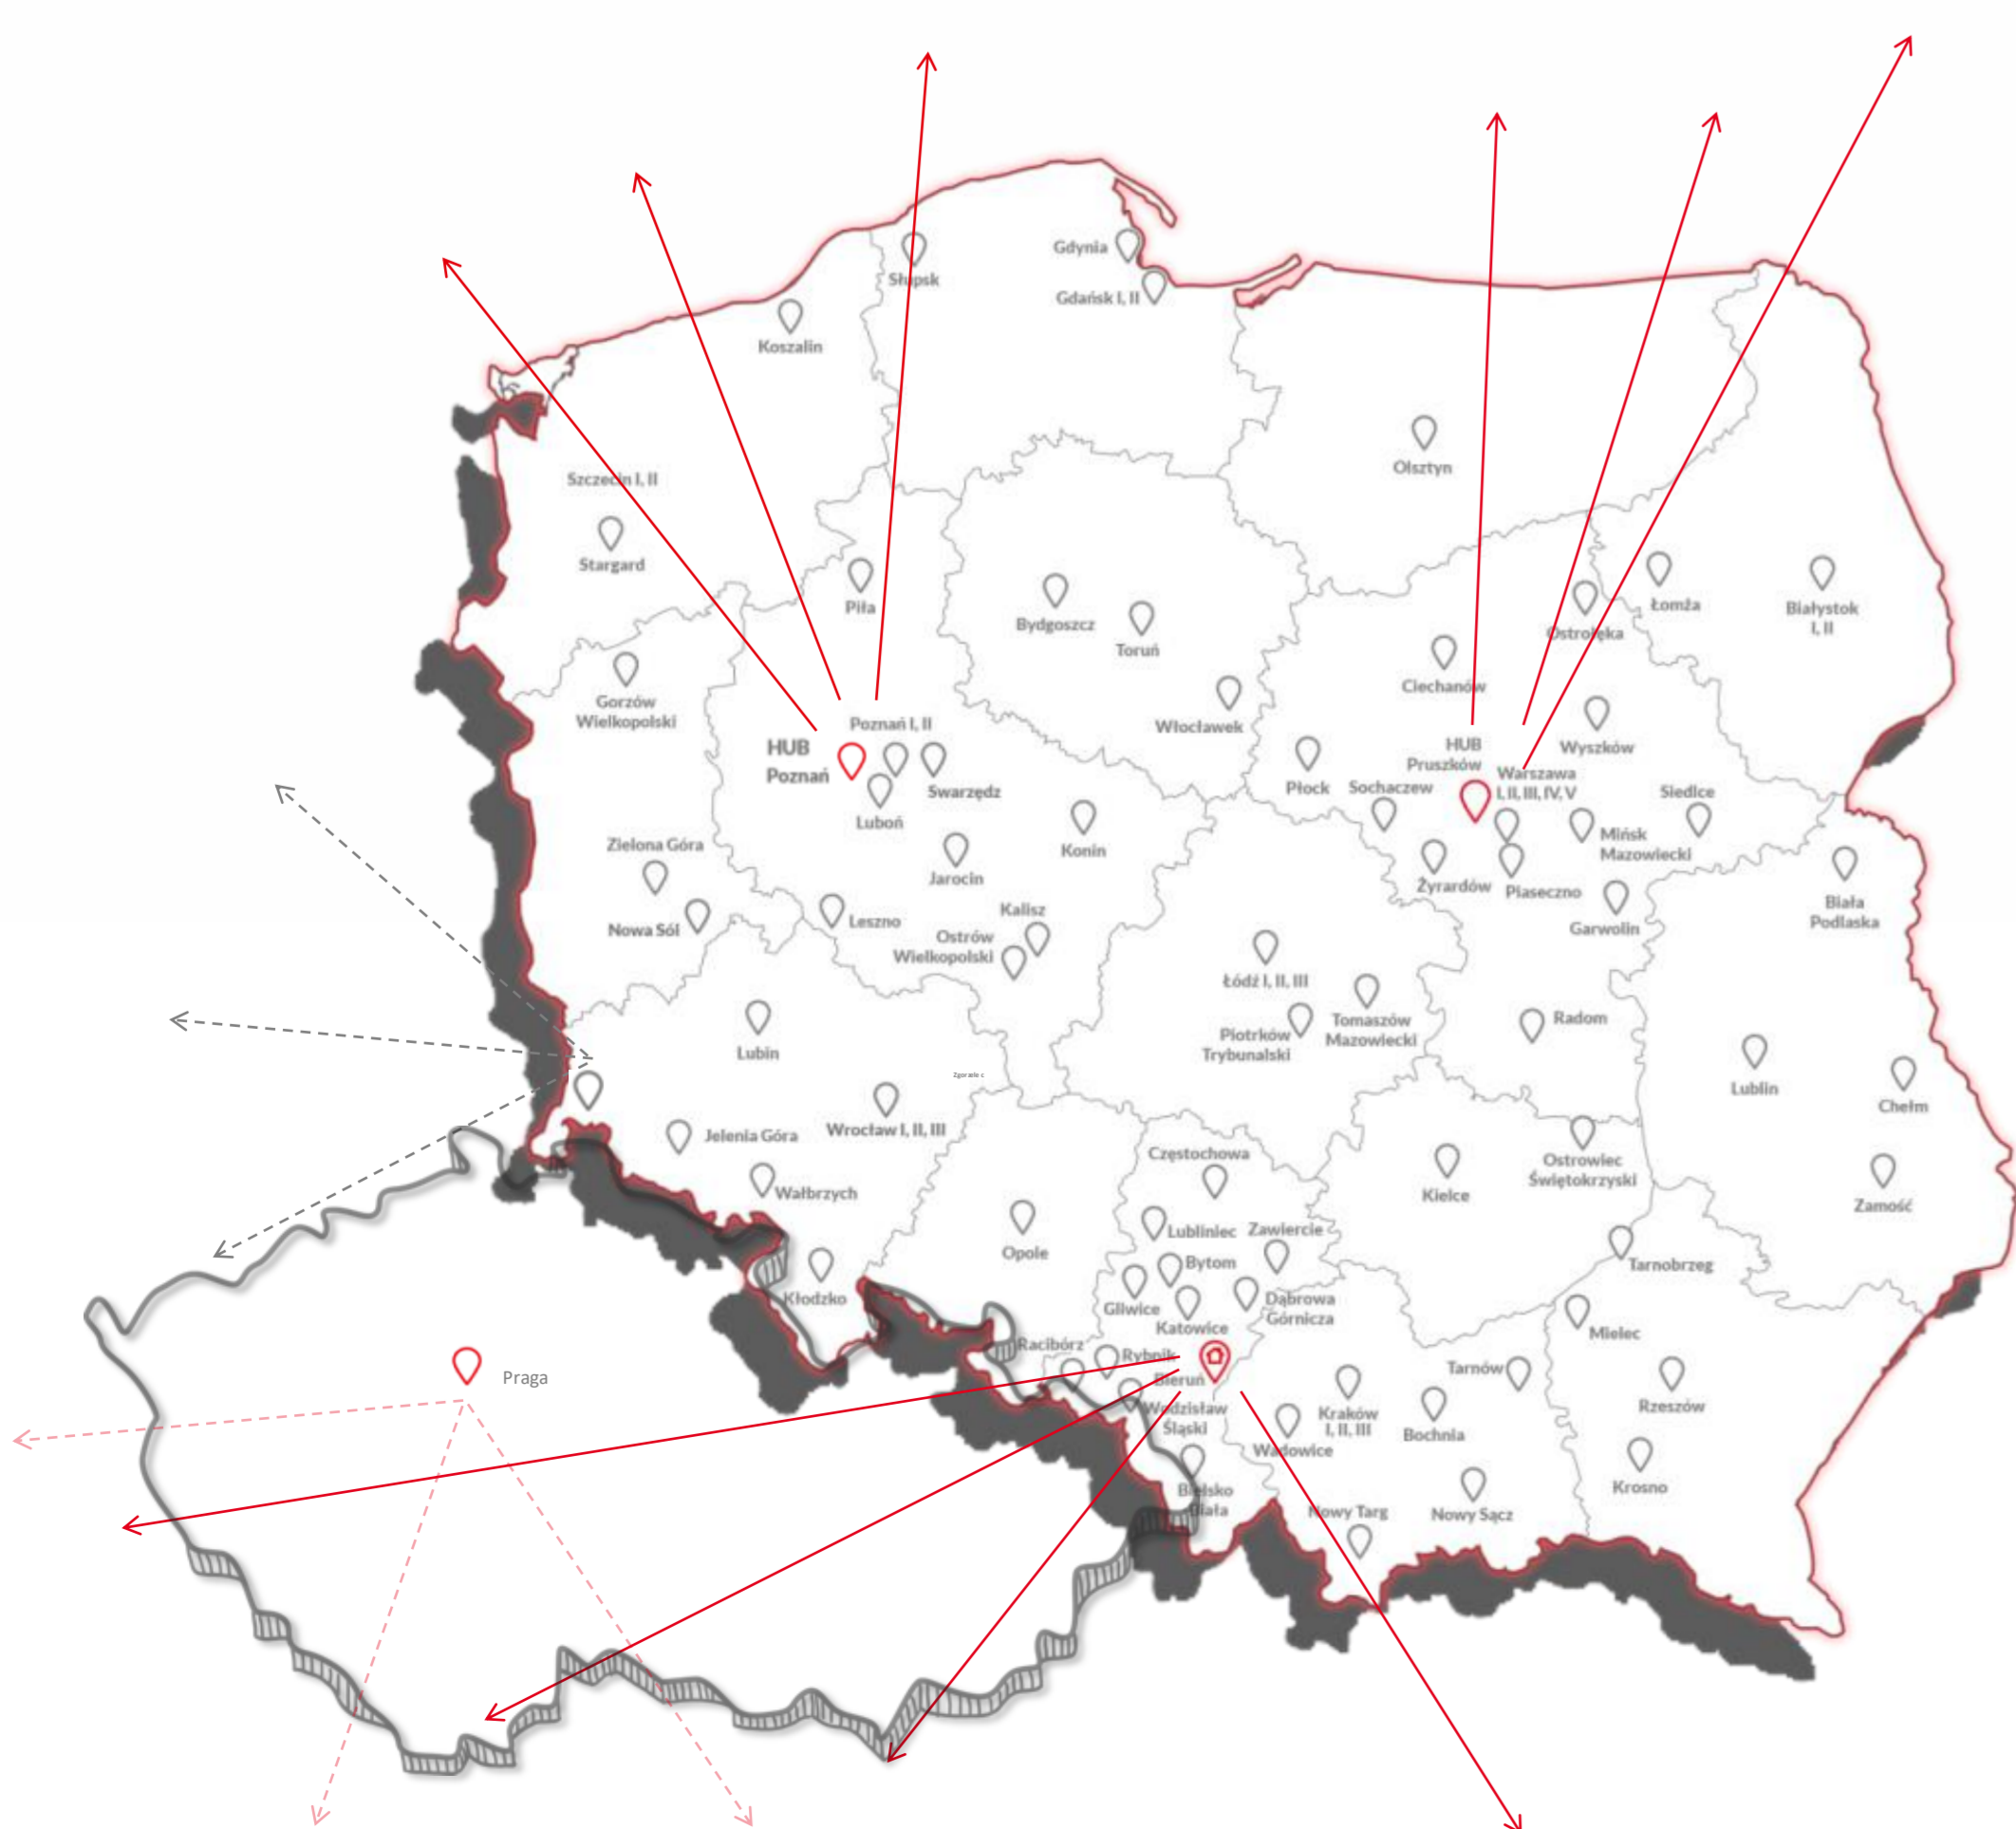

LOGISTICS FACILITIES

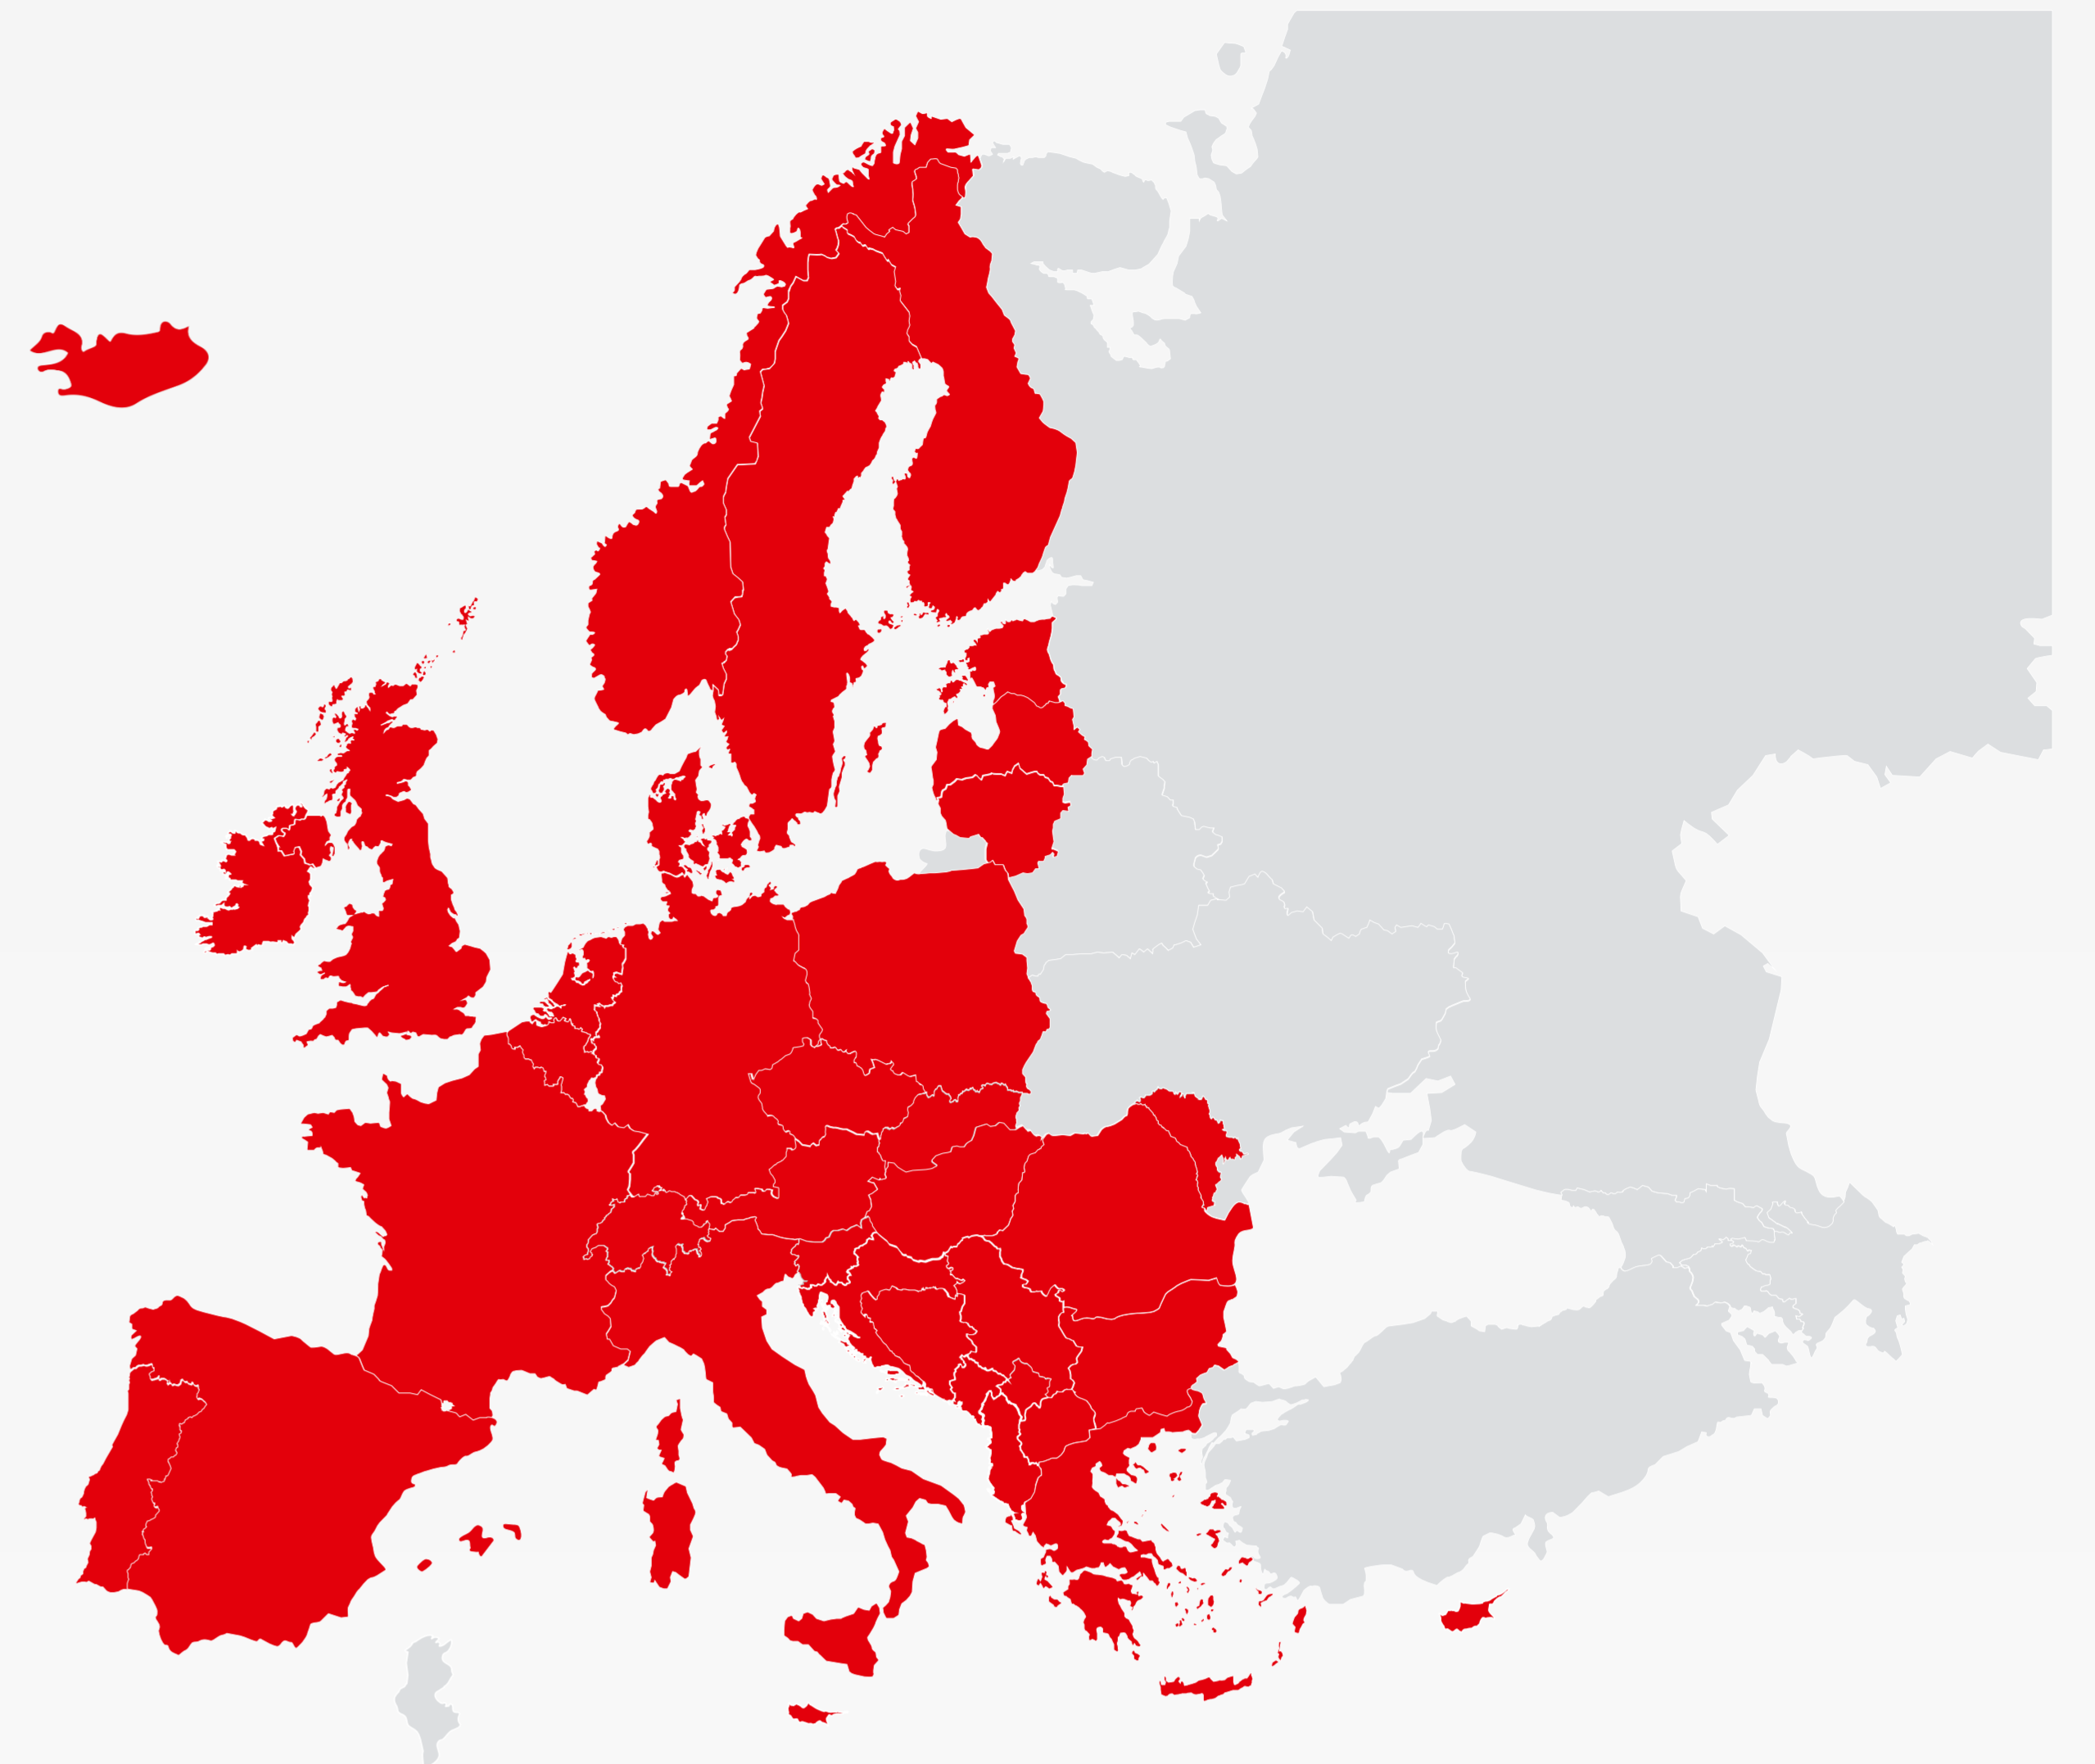

Auto Partner is supported by integrated IT tools managing the whole supply network and logistic infrastructure (total warehouse space of the Group about **200,000 m²**), consisting of:

- modern logistics and distribution centre in Bieruń with an area of about **52,000 m²**, **distribution centre in Zgorzelec** with an area of **33,000 m²**
- logistics and distribution centre in Pruszków with an area of about **12,500 m²**, and hub in Poznań of about **13,500 m²**
- warehouse in Mysłowice – about **24,000 m²**
- warehouse in Germany for a space of about **5,000 m²**
- chain of **115** branch offices with additional warehouse space of about **57,000 m²**
- local warehouse in two branches in Prague (Czech Republic) – **1,200 m²**
- distribution network enabling deliveries directly to customers **2-8** times a day

THE GROUP'S SALES NETWORK

OVER 30 MARKETS OF THE GROUP'S OPERATIONS

STRATEGIC GOALS OF THE GROUP

- Further increase in the scale of operations
- Further product diversification
- Further increase in profitability
- Expansion of sales on foreign markets

PRODUCT PORTFOLIO

The Auto Partner Group cooperates with over 350 suppliers of aftermarket spare parts and global OEM distributors. The group's product portfolio consists of over 350,000 references, which translates into over 8.5 million spare parts in the central warehouse and 15.5 million in all branch offices across Poland. The group is the only distributor in Poland of NK, ALCO, Quaro RYMEC, ROOKS, Triscan, Unior, Stabilus and Bovez products, which it offers in all assortment groups. Auto Partner also has its own brand, including maXgear, offering products from 80 assortment groups. Auto Partner belongs to the international purchasing group GlobalOne, made up of leading international players on the aftermarket.
